### The Community

Cinco Ranch High School, Katy ISD's fourth high school, was established in 1999. The school, located 23 miles west of Houston, is expansive not only in size, but also in its dedication to excellence and its commitment to the success of its students, faculty and staff. Because of its already excellent educational reputation, Cinco Ranch High School attracts families from all over the world.

Even though Cinco Ranch High School is a highly academically competitive school, success is not measured in educational terms alone. Students and staff are respected, valued, and held to the highest standards of personal responsibility and integrity. Cinco Ranch High School has the mission of providing a challenging education and promoting leadership, blended with personal skill development to a highly talented and diverse student population, thus helping to ensure success by enabling students to become responsible citizens, leaders, and individuals who have a passion to continue their learning throughout life.

### School Facts

Cinco Ranch High School is a public four-year secondary school with an enrollment of 3608 in grades nine through twelve. The senior class has 730 students. The teaching faculty is composed of 198 teaching personnel.

Cinco Ranch High School is accredited by the Texas Education Agency (TEA). The school is also a member of CEEB, NACAC, TACAC, TASSP and is a TEA Exemplary School.

The school day consists of seven class periods of approximately 50 minutes. The school year is divided into two semesters with three six-week marking periods in each semester.

**CEEB Code: 443509**  
**(College Board and ACT)**

### Marking System

Numerical	Letter	Grade Points	
		Academic	PreAP/AP/GT
90-100	A	4	5
80-89	B	3	4
75-79	C	2	3
70-74	D	1	2
Below 70	F	0	0

Class rank is based on a cumulative grade point average for grades 9-12, as well as high school courses taken in Jr. High and correspondence courses. A student's grade point average is derived by dividing the total number of grade points by the number of semester courses attempted. Students are officially ranked for the first time after the completion of the fifth semester.

A full year, one period course consisting of two semesters would be equivalent to one credit. One semester equals one-half credit.
